

## Employment Screening for the Satellite Broadcasting & Communications Sector

For a quarter of a century, American Background Information Services, Inc. has provided comprehensive, innovative employment screening and verification services that enhance the safety, security and efficiency of the workplace. As one of the pioneers in the industry American Background is a preferred vendor for the Satellite Broadcasting & Communications Association of America, Inc. (SBCA).

### Member Benefits

As a member of the Satellite Broadcasting & Communications Association (SBCA), American Background is able to offer you a premier employment background screening program with the added benefit of:

- Competitive Pricing – members receive volume discounted rates
- Free Screening Web Site Access - a secure and user friendly web tool for screen management
- Faster Turnarounds – some of the industry’s leading turnaround times
- Standardized Package - for each location / contractor

### Why Screen?

There has never been more intense pressure on human resources professionals to ensure the safety and security of their employees. American Background, a leading provider of employment screening services that enhance the safety, security, and efficiency of the workplace provides clients in the broadcasting and communications sector with a robust package of employment background services which can help reduce the risk of reputational damage or a potentially expensive negligent hiring lawsuit.

### Why Choose American Background?

American Background is a preferred employment screening provider of SBCA. With over thirty year’s experience in the industry we are able to provide clients with an increased level of assurance on the background of the individuals on their sites. And furthermore, by outsourcing to American Background’s expert team SBCA members will benefit from:

- Reduced costs
- Access to a wide variety of services
- Increased credibility with clients as staff will be fully screened by a reputable provider
- A wealth of industry expertise and experience

## Regulatory Compliance and FCRA

Regulatory compliance in all 50 states, and FCRA and other federal standards, is supported through comprehensive programs offered by American Background. No matter where you operate, your screening program will conform to the proper choice of law in that jurisdiction.

## Our Expert Team

No one provides a higher level of personalized service than American Background. We assign a dedicated team, specifically to manage our client's programs, which is ready and available to support any specific queries you may have. Customer care is American Background's hallmark; our Client Care team is also dedicated to providing an unrivaled level of service and is available to respond to any client or applicant/employee inquiries that may arise before, during and after the screening process.

## Our Technology

American Background offers clients access to our industry leading technology which incorporates:

- Real time monitoring of the screening process 24/7
- Reporting capabilities provided via our secure client services web site
- The flexibility to utilize a variety of order entry methods including integration into third party applicant tracking or human resources information systems
- Secure applicant 'web kiosk' entry

American Background delivers safe, reliable information through a convenient, web-based delivery system which was designed specifically to meet the needs and regulations governing the employment screening industry. From rapid, intelligent database searches to secure uploading of information retrieved from courthouse records, the system helps our researchers conduct accurate, definitive background screens and deliver fast, easy to understand reports to clients.

## Get Started Today

In addition, our standard package comes with with **FREE** online access to our secure screening system. Members will have access to ABI Express for order entry and Request finder to download reports and monitor in real time the progress of your candidate's screen. We also know that it is nice to have someone to walk you through the process – so you can talk to one of our friendly Client Care representatives who are able to provide you with support and reassurance.
