**DOW TECHNOLOGIES WINS DISTRIBUTOR OF THE YEAR AWARD**  
*Award Marks Sixth Win in Eight Years*

**TAMPA, Fla. (March 8, 2022)** – DOW Technologies, the leading independently owned electronics and technology services distributor, was recently awarded Distributor of the Year at the Mobile Electronics Association Industry Awards. DOW also received the award in 2014, 2015, 2018, 2019, and 2020.

The Mobile Electronics association presents the awards annually to recognize and honor those in the mobile electronics industry. The Industry Awards are voted on by the retailers and vendors working in the 12Volt industry nationwide.

“I am really proud of the effort our team gives every day,” stated Mike Hurwitz, 12volt strategic sales manager. “We are focused on providing our customers the best customer service and this award recognizes the work we’ve put in over the last year.”

“This award recognizes the dedication of our entire company to support our 12Volt customers,” stated senior vice president Dave Elkin. “The sales team provides great service, building meaningful relationships with the customers. Our purchasing team works with our vendor partners to work through inventory and supply chain issues to help customers. And the warehouse teams ensure rapid order processing, getting products shipped out quickly. All of our employees can take pride in being honored by the industry.”
